– substructure, superstructure etc.), tenderer must have successfully completed any of the following during last 07 (seven) years, ending last day of month previous to the one in which tender is invited.

Three similar works costing not less than the amount equal to 30% of advertised value of each component of tender, or

Two similar works costing not less than the amount equal to 40% of advertised value of each component of tender, or

One similar work costing not less than the amount equal to 60% of advertised value of each component of tender.

Note: Separate completed works of minimum required values for each component can also be considered for fulfillment of technical eligibility criteria.

(b)(ii) In such cases, what constitutes a component in a composite work shall be clearly pre-defined with estimated tender cost of it, as part of the tender documents without any ambiguity. Any work or set of works shall be considered to be a separate component, only when cost of the component is more than ₹2Crore each.

Note for 3.1.1(a) & (b): *Work experience certificate from private individual shall not be considered. However, in addition to work experience certificates issued by any Govt. Organisation, work experience certificate issued by Public listed company having average annual turnover of ₹500 crore and above in last 3 financial years excluding the current financial year, listed on National Stock Exchange or Bombay Stock Exchange, incorporated/ registered at least 5 years prior to the date of opening of tender, shall also be considered provided the work experience certificate has been issued by a person authorized by the Public listed company to issue such certificates. In case tenderer submits work experience certificate issued by public listed company, the tenderer shall also submit along with work experience certificate, the relevant copy of work order, bill of quantities, bill wise details of payment received duly certified by Chartered Accountant, TDS certificates for all payments received and copy of final/ last bill paid by company in support of above work experience certificate*

(c) Similar nature means, "Design, Drawing, Supply, Erection, testing and Commissioning of 25KV Ac single phase 50Hz Overhead Equipment (OHE) works with 25KV switching station works (i.e. SSP, SS, SP, FP) on Railways, PSUs and any other Government department etc."

(d) In support of fulfillment of specified minimum technical eligibility criteria, the tenderer has to submit the credential certificate (**scanned copy in PDF format of the original document**) with their e-offer for the physical completion of the similar nature of work.

(e) TENDERS NOT ACCOMPANIED BY DOCUMENTARY EVIDENCE IN SUPPORT OF ELIGIBILITY CRITERIA FOR SIMILAR NATURE OF WORK WILL BE SUMMARILY REJECTED.

(f) Tenderer has to produce supportive documents/ certificates from the Organization for whom they have worked along with the tender offer. **Certificates from Private individual/ Private Limited Company/ Public Limited Company (Private Sector) for whom such works are executed shall not be accepted except provision mentioned under note for item No. 3.1.1(a) & (b) above**. Certificates from Govt./ Semi Govt./ PSU/ Govt. Autonomous bodies/ Public Limited Company (Govt. Sector) will only be accepted.

3.1.2 Technical Eligibility Criteria of the Joint Venture (JV): Technical eligibility of the JV shall be adjudged based on satisfactory fulfillment of the criteria as detailed at Clause-29.15.1 of Chapter-II of the tender documents.

3.1.3 Documents testifying tenderer's previous experience and financial status should be produced (upload scanned copy, in PDF format) along with the tender.

3.2 Financial Eligibility Criteria

3.2.1 For The Firm: The tenderer must have received contractual payments in the previous three financial years and the current financial year up to the date of opening of tender, at least 150% of the advertised value of the tender. The tenderers shall submit (upload scanned copy, in PDF format) Certificates to this effect which may be an attested Certificate from the concerned department/ client and/ or Audited Balance Sheet duly certified by the Chartered Accountant etc.

3.2.2 For Joint venture (JV): Financial eligibility of the JV shall be adjudged based on satisfactory fulfillment of the criteria as detailed at Clause-29.15.2 of Chapter-II of the tender document.

4. The extended date of closing, if any, shall not be taken into account for the purpose of counting the above period as specified in Technical & financial criteria above.

4.1 Bid Capacity: The tender/ tender bid will be evaluated based on bid capacity formula detailed as Annexure-VI of Chapter-II of the tender documents.

4.2 No technical and financial credentials are required for tenders having value upto ₹50Lakh.

4.3 Submission of Affidavit: The tenderers shall submit (upload scanned copy, in PDF format) a copy of notarized affidavit on a non-judicial stamp paper stating that all their statements/ documents submitted along with bid are true and factual. Standard format of the affidavit to be submitted by the bidder is enclosed as Annexure-D of Chapter-VIII of the tender documents. Non submission of notarized affidavit by the bidder shall result in summarily rejection of his/their bid. It shall be mandatorily incumbent upon the tenderer to identify, state and submit the supporting documents duly self-attested by which they/ he is qualifying the Qualifying Criteria mentioned in the Tender Document. **Original Affidavit should be submitted by the contractor, to whom the contract will be awarded, before execution of the Agreement.**

a) The Railway reserves the right to verify all statements, information and documents submitted by the bidder in his tender offer, and the bidder shall, when so required by the railway, make available all such information, evidence and documents as may be necessary for such verification. Any such verification or lack of such verification, by the railway shall not relieve the bidder of its obligations or liabilities hereunder nor will it affect any rights of the railway there under.

b) In case of any information submitted by the tenderer, is found to be false, forged or incorrect at any time during process for evolution of tenders, it shall need to forfeiture of the tender Earnest Money Deposit besides banning of business for a period of up to on entire Indian Railways for 5(five) years.

c) In case of any information submitted by tenderer is found to be false forged or incorrect after the award of contract, the contract shall be terminated. Earnest Money Deposit (EMD), Performance Guarantee and Security Deposit available with the railway shall be forfeited. In addition, other dues of the contractor, if any, under this contract shall be forfeited and agency shall be banned for doing business for a period of up to five years.

d) **Non-compliance with any of the conditions set forth herein above is liable to result in the tender being rejected.**

4.4 All documents in support of fulfillment of eligibility criteria with respect to completion of 'Similar nature of work for Technical Eligibility Criteria' and 'Total contract value for Financial Eligibility Criteria' should be furnished along with the tender and should be submitted online at the time of tender bidding. Tenders not accompanied by documentary evidence in support of eligibility criteria will be summarily rejected. No post tender communication, in any form will be made or entertained, after opening of tenders, in this regard. Railways may however call for the originals of the credentials for verification or any clarifications/ confirmations on the contents of the documents submitted.

4.5 Tenderers shall note that the submission of other supporting documents namely constitution of firm/ JV, work in hand, arbitration/ court cases, tools & plants, technical personnel/ man power, association of Railway officers and NEFT details at the time of on line bidding of tender is important and they shall ensure the same. However, Railways may seek clarifications/ details/ documents in this regard.

4.6 Tenderers shall note that there is an additional para in Performance Guarantee Clause in comparison to earlier tenders. The additional para is as under and the complete clause is available at Para-21 of Chapter-III of tender documents.

The tenderer who has offered lower total cost as compared to tender value by more than 10%, shall be required to submit additional Performance Guarantee of value equal to percentage of tender value by which offer is lower than 10%.

5. The tender notice/ documents will only be available on the website www.ireps.gov.in and no other way of obtaining the tender documents will be available. The cost for tender document as mentioned above is to be deposited only through the online payment gateway provisioned at www.ireps.gov.in as per instruction at www.ireps.gov.in. No other forms of payment will be accepted.

6. The tenderers are advised to visit the office of **Deputy Chief Electrical Engineer (Con), Eastern Railway, 371, Telkal Ghat Road, Howrah-711101** at Howrah and acquaint themselves with the conditions and expected quantum of work in their own interest before submitting their offer.

7. The prescribed Earnest Money, as mentioned above, is to be deposited only through the online payment gateway provisioned at www.ireps.gov.in as per instruction at www.ireps.gov.in. No other forms of payment will be accepted as mentioned in the tender documents. Adjustment of Earnest Money submitted with earlier tender or accepted tender shall not be done and tender received without prescribed Earnest Money will be liable to be summarily rejected.

8. Tenders complete in all respects and with all documents as stated above should be submitted online at www.ireps.gov.in by the tender closing date and time mentioned above.

9. Tender will be opened on the tender closing date mentioned above within three hours after the closing time. The date and time of opening may be postponed at the sole discretion of the Railway, if circumstances so warrant. The complete details of rates etc. of all the bidders shall be available to the bidders in the website after the opening of the tender.

10. If the tenderer/s deliberately gives wrong information, whose credentials/ documents in his/ their tenders and thereby create (s) circumstances for acceptance of his/ their tender, Railway reserves the right to reject such tender at any stage, besides, shall suspend the Business for one year.

11. Construction workers cess @1% of the cost of construction work will be deducted from the bill of the contractor. Cost of materials supplied under separate item shall be outside the purview of the cess.

12. Payment will be remitted through **NEFT**. The Tenderers are required to declared Bank details and A/C No. etc. in the Tender Form.

13. Joint venture firms are permitted to participate in this tender as the tender value is more than ₹10 (Ten) crore.

14. Railway reserves its right to either cancel the tender or rejects any or all the tenders without assigning any reason thereof.
