

# MAGIC AUTOFILL FOR INDIAN RAILWAYS

The Indian Railways IRCTC website opens up for train reservations at 8 AM, or 10 AM if you are making a reservation under the tatkal scheme, and the tickets are often booked within minutes. When even second matters, the Magic Autofill tool can improve your chances of getting a train ticket.

Fill the passenger details and click I'm Feeling Lucky. You'll see a new Magic Autofill button that you need to add to the bookmarks toolbar. Now switch to the Indian Railways website (irctc.com) and click the same Magic button to [fill the reservation form](#) in one click. Or see this [video demo](#) on YouTube.
