## Advance Reservation

You can book your ticket for any train on the Indian Railways computerised passenger reservation network from any originating station or train passing through station to any destination. Reservation can be made subject to restriction and availability of quotas. Reservation of journey can be made through Passenger Reservation System (PRS), PRS-cum-UTS (Unreserved Ticketing System), Internet and GPRS enabled Mobile and Postal PRS.

### Advance Reservation Period :

You can reserve your tickets 120 days in advance, excluding the date of journey. At intermediate stations where the train arrives the following day, reservation can be done 121 days in advance. In case of some intercity day Express trains, the advance reservation period is less. Any one of the passengers booked on the reserved ticket issued from Computerised PRS, 'I', 'E' and 'M' Tickets undertaking journey in AC First Class, Executive Class, AC 2-Tier, AC 3-Tier, AC Chair Car, Sleeper & Second Sitting will have to carry any one of the ten prescribed proofs of identity in original during the journey (Ten prescribed proofs of identity given under the heading "Making an E-Reservation"). However this has been relaxed to passengers wherein attested photo copy of ration card with photograph and Nationalized Bank pass book with photographs shall also be accepted as a prescribed proof of identity only in case of reserved tickets booked through computerized Passenger Reservation System (PRS) counters i.e., for undertaking journey in SL class and second reserved sitting classes (2S). The above provision is not applicable for all classes of e-tickets and Tatkal tickets and tickets issued through PRS counters for travelling in AC Classes and First Class.

### Status of your ticket :

The reservation status will be indicated on your ticket. If your ticket is confirmed, your coach and berth numbers will be mentioned on your ticket in all classes other than First Class and AC First Class. For these, the word 'CNF' (i.e. confirmed) will be printed. Passengers choice for lower berth or coupe is noted in the system at the time of booking but allotment is done according to the age, protocol requirements & priority of booking, at the time of preparation of final charts.

If your ticket is in the RAC (Reservation Against Cancellation) or in the Waiting List (WL), the same will be mentioned on the ticket. You can board the reserved compartment with an RAC ticket. You will be provided with sitting accommodation initially and allotted a berth in case of vacancy.

If you are holding a waitlisted ticket, check the status of your ticket before boarding the reserved compartment of the train. If the waitlisted ticket has not been confirmed, please do not board the reserved coaches. In case you do, you will be fined / detained. Current status of ticket can be obtained from Integrated Train Enquiry System (139) or from the Indian Railways website [www.indianrail.gov.in](http://www.indianrail.gov.in). This site also provides real - time enquiries relating to availability of seats and berths in a train between a pair of stations, train timings, train fares etc.

### Online Booking :

You can also book your tickets by logging on to the website of the Indian Railway Catering and Tourism Corporation (IRCTC) [www.irctc.co.in](http://www.irctc.co.in). Booking procedures are simple and user friendly.

### Credit Card Booking :

For your convenience, Indian Railways have nominated counters where you can reserve your tickets through credit cards. This facility is presently available only at important computerised reservation Centres. An additional service charge of ₹ 30/- per ticket is levied when you reserve your ticket on a credit card.

### Refund on Tickets Purchased on Credit Card :

Tickets purchased on Credit Cards can be cancelled and Credit Slip obtained only at such Railway Stations where Credit Card counters exist. Where such facility is not available, Passenger can obtain Ticket Deposit Receipt (TDR) and apply for refund to the Chief Commercial Manager (Refunds) of the Zone, to which the ticket issuing Station belongs. TDR has to be obtained on any day but within 2 (two) hours if it is confirmed or 3 (three) hours if it is W/L or RAC ticket after the actual departure of the train. The TDR has to be submitted within 10 days from the date of receipt for getting refund.

### Automatic Upgradation of Passengers :

The automatic upgradation scheme provides for free upgradation of full fare paying passengers to the next higher class against vacant accommodation, with a view to optimising the utilisation of available accommodation in trains.

- The Upgradation scheme is available in nominated trains having 1AC/2AC/3AC/SL/2S accommodation.
- Upgradation is done only for confirmed passengers of General and Tatkal quota.
- The upgradation scheme is applicable only for full fare paying passengers and is not applicable to concessional ticket (including Senior citizens travelling on concession).
- Upgradation is not done in Bulk Booking transactions.
- The upgradation will be done automatically at the time of release of final charts, unless the passenger has indicated his/her unwillingness in the reservation requisition form at the time of booking the ticket.
- Passengers need not have to pay any difference of fare for travelling in higher class under this scheme.
- Upgradation of passengers is fully controlled by the System and there is no manual intervention, i.e., either all passengers in one PNR will be upgraded or none will be upgraded. However, after upgradation the system does not guarantee compact accommodation or berth choices made by the passengers in the original class, at the time of booking tickets.
- The passengers' choice (YES/NO) for upgradation is obtained at the time of booking the tickets itself. If the passenger does not exercise the option, it would be construed that the passenger has opted for upgradation.
- When no confirmed passengers have opted for upgradation then all the RAC/Waitlisted passengers will be considered for upgradation irrespective of their option.
- Upgradation of passengers may be done in one / two class above.
- Original PNR of upgraded passengers will remain unchanged and information from PRS/IVRS etc. will be provided when enquiry is made with the original PNR.
- *There would obviously be changes in the coach number and berth numbers of passengers who had earlier been allotted confirmed accommodation, if they are upgraded. In view of this, passengers are advised to check their final Coach No./Berth No. after charting before occupying the berths.*
- If the passenger, who has been upgraded cancels his ticket, cancellation charges of the original class only will be payable.
- If the passenger gives his/her mobile number while booking, on upgradation, if any, will be advised through SMS alert after charting.
