SUB: Training Courses for 3-phase loco Simulator for 2015-16 at Electric Loco Training Centre, Eastern Railway, Asansol.

The training program for the period from April 2015 to March 2016 is enclosed. All Railways are requested to send their loco pilots (4 for each course) for the above training as per schedule allotted to them.

Since 3-phase simulator is a costly asset, Railways are to ensure that the capacity allotted to them is fully utilized. In case trainee cannot be booked by Railways for training, feedback should be sent well in advance to Principal, ELTC/ASN with a copy to HQ/ERY.

DA: Simulator Training Program – 2015-16.
