HOW TO USE THE TIME TABLE

Trains at a Glance, is a handy guide brought out every year by the Ministry of Railways for the convenience of regular intercity and long distance travellers as well as foreign and domestic tourists. The timings of all the Mail/Express trains operated by Indian Railways are indicated in this book. However, the tables do not indicate all the stoppages of a train - only stoppages at important stations are shown. This publication does not include the timings of passenger (slow) trains, through and slip coach services. For these details, please refer the Zonal Timetables.

The Tables in this book will give you details about the departure and arrival timings of trains, the stoppages at major stations, their days of service, classes of accommodation, distance in kilometres and availability of pantry cars.

A step-by-step guide to help you find the right Table.

Method I

Using the Route Map with Table Numbers.

Passengers travelling between intermediate stations, can easily locate the relevant table using the Route Map with Table Numbers.

- Go to the Route Map on page 5-6
- Locate your starting station and trace the route to your destination station.
- The numbers along the route indicate the table numbers.

Method II

Using the Station Index.

- Go to the Station Index on page 9. This Index lists out all the stations appearing in the tables, in an alphabetical order.
- Important stations have various destination stations listed under them. The table numbers are given alongside the destination stations. Numbers of the trains connecting these stations are also mentioned for your reference.
- If destination stations are not listed under it, the table numbers will be specified against the originating station itself.
- Go to the relevant table, and choose the most convenient train.

Method III

Using the Train Number Index.

When you know the Train Number

- Go to the Train Number Index on page 47, where train numbers are given in an ascending order, along with train names.
- Locate your train number and go to the table number given alongside.

Method IV

When you know the Train Name

- Go to the Train Name Index on page 57, where train names are given in an alphabetical order, along with train number and table number.
- Locate your train number and go to the table number given alongside.

How to use this index to locate the right table

- The Station Index lists all the stations mentioned in this Timetable, in an alphabetical order.
 - Important stations have various destination stations listed under them. The table numbers are given alongside the destination stations, in **Magenta colour**. The numbers listed in black denote the train numbers connecting these stations.
For instance, if you are travelling from Ahmedabad to Mumbai, you will first have to locate your starting station Ahmedabad, then look for the table numbers (in **Magenta**) and train numbers (in black), listed alongside your destination station: Mumbai.
 - If a destination station is not listed under your starting station then look whether the pair of stations are listed in the reverse direction.
For instance, if you are travelling from Amritsar to Jhansi, you will find Jhansi is not listed under Amritsar. In the reverse direction Amritsar is listed under Jhansi and Table No.4 is indicated. So the table you should refer to for travel from Amritsar to Jhansi is Table No. 4A.
 - Destination stations are not listed under smaller stations. Instead you will find the table numbers mentioned in **Magenta**, against the station itself.
 - To help you locate the station in the Indian Railways Map easily, corresponding Map Reference Numbers are mentioned in **Blue** boxes against select stations.
For instance, if you are trying to locate Ahmedabad in the Map, you will find B6 listed alongside. This means, you will have to look in the square formed by B on the horizontal axis and 6 on the vertical axis in the Indian Railways Map.
- Note : Experimental stoppages are under review and maybe withdrawn/ extended. Passengers may confirm before planning the journey.

Refund Rules

For your convenience, Indian Railways have drawn up customer-friendly refund rules. To get the maximum benefit and save on cancellation charges, passengers are requested to cancel their tickets within the prescribed time limits, where possible. This will also help other wait listed passengers in getting confirmed accommodation.

For the convenience of passengers, Indian Railways have exclusive counters where tickets can be reserved through credit cards. This facility is available at important computerised reservation centres. Tickets can also be booked through mobile phones and the procedure is similar to that of booking tickets through Internet.

Railways And Tourism

Darjeeling Himalayan Railway (DHR)

The most famous of the hill trains, links the town of New Jalpaiguri to Darjeeling.

The breathtaking landscape of Darjeeling (2127 m above the sea level) must be seen to be believed – the Himalayas in all their glory, orchids swaying in the gentle breeze, lush green tea estates...

The toy train runs on the world's narrowest (2ft) of the regular narrow gauge lines.

Conferred with the status of World Heritage Site, the Darjeeling Himalayan Railway (DHR) is really a tourist's delight.

DHR also offers special Joy Rides between Darjeeling and Ghum, extra pair of train to / from New Jalpaiguri and Darjeeling and Jungle (Heritage) Safai during the tourist season. You can call at +913542252555 to know about special services or ask by email to director@dhr.in or director.dhr@gmail.com

Nilgiri Mountain Railway (NMR)

Nestling among the Nilgiri Hills of Tamil Nadu, at 2,600 m above sea level, is the "Queen of Indian Hill Stations"- Udhagamandalam (Ooty).

 The train starts from the town of Mettupalaiyam and thus begins a journey full of twist and turns, as this Metre Gauge train ascends 46 Km on its way to the hill resort of Ooty in four and half hours.

 The toy train treks across the plains, the plantations and the forest clad hills.

 The 16 tunnels and tall girder bridges on the way, along with breathtaking view, making it a 'not-to-be-missed' journey.

 The only Rack-n-Pinion section on the Indian Railways.

Kangra Valley Railway (KVR)

 The Pathankot - Joginder Nagar section is the rail approach to the beautiful Kangra Valley of Himachal Pradesh.

 The Kangra Valley is one of the most picturesque valleys of the lower Himalayas. The Valley, sheltered by the sublime Dhauladhar range, is green and luxuriant.

 It provides a tremendous contrast in nature of places to be visited. Dharmasala is full of Buddhist air where ancient Hindu Temples like Brajeshwari, Baijnath, Jawalamukhi and Chamunda Devi dot the country side.

Matheran Light Railway (MLR)

This line connects Neral to Matheran.

Matheran is a tiny hill resort, close to Mumbai.

No blaring car horns. No trucks rumbling down the roads. No buses... Matheran is a quiet and peaceful hill resort which is out of bounds to vehicular traffic all through the year.

The lack of vehicular traffic at Matheran makes it an unusual and peaceful retreat.

The hill charters can be booked through IRCTC at the following addresses:

Railways And Tourism

Darjeeling Himalayan Railway (DHR)

The most famous of the hill trains, links the town of New Jalpaiguri to Darjeeling.

The breathtaking landscape of Darjeeling (2127 m above the sea level) must be seen to be believed – the Himalayas in all their glory, orchids swaying in the gentle breeze, lush green tea estates...

The toy train runs on the world's narrowest (2ft) of the regular narrow gauge lines.

Conferred with the status of World Heritage Site, the Darjeeling Himalayan Railway (DHR) is really a tourist's delight.

DHR also offers special Joy Rides between Darjeeling and Ghum, extra pair of train to / from New Jalpaiguri and Darjeeling and Jungle (Heritage) Safai during the tourist season. Nilgiri Mountain Railway (NMR)

Nestling among the Nilgiri Hills of Tamil Nadu, at 2,600 m above sea level, is the "Queen of Indian Hill Stations"- Udhagamandalam (Ooty).

 The train starts from the town of Mettupalaiyam and thus begins a journey full of twist and turns, as this Metre Gauge train ascends 46 Km on its way to the hill resort of Ooty in four and half hours.

 The toy train treks across the plains, the plantations and the forest clad hills.

 The 16 tunnels and tall girder bridges on the way, along with breathtaking view, making it a 'not-to-be-missed' journey.

 The only Rack-n-Pinion section on the Indian Railways.

Kangra Valley Railway (KVR)

 The Pathankot - Joginder Nagar section is the rail approach to the beautiful Kangra Valley of Himachal Pradesh.

 The Kangra Valley is one of the most picturesque valleys of the lower Himalayas. The Valley, sheltered by the sublime Dhauladhar range, is green and luxuriant.

 It provides a tremendous contrast in nature of places to be visited. Dharmasala is full of Buddhist air where ancient Hindu Temples like Brajeshwari, Baijnath, Jawalamukhi and Chamunda Devi dot the country side.

Matheran Light Railway (MLR)

This line connects Neral to Matheran.

Matheran is a tiny hill resort, close to Mumbai.

The lack of vehicular traffic at Matheran makes it an unusual and peaceful retreat.

Tatkal Scheme

With a view to provide reservation to those passengers who have to undertake journey at short notice and to save such passengers from the clutches of unscrupulous elements/touts, Tatkal Reservation Scheme was initially introduced in December, 1997. Initially this scheme was available only in around 110 trains and mainly in Sleeper Class. At that time an extra coach was to be attached for this purpose. This scheme was thoroughly revised in August 2004 and some modifications were made from time to time. The salient features of this scheme as on date are as under:-

- a. Tatkal booking for AC classes opens at 1000 hours on the previous day of journey excluding date of journey from the train originating station. For non-AC classes, Tatkal booking starts at 1100 hours on the previous day of journey excluding date of journey from the train originating station. For example, if train is to depart from the originating station on the second of the month, the Tatkal quota for that particular train shall open at 1000/1100 hours on the first of the month.
- b. The reservation under this scheme is available only upto the time of preparation of charts. At the time of preparation of charts, the vacant Tatkal accommodation is released to the RAC/waitlisted

passengers and no Tatkal charges are realised from such passengers.

- c. The facility of change of name is not permitted on the bookings made under Tatkal scheme.
- d. No duplicate Tatkal tickets are issued. Duplicate Tatkal tickets are issued only in exceptional cases on payment of full fare including Tatkal charges.
- e. The reservation under this scheme can be sought by full fare paying passengers only and no passenger holding concessional ticket is allowed to avail reservation under this scheme.
- f. In case of tickets booked under Tatkal scheme, during the journey, one of the passengers booked on that ticket is required to produce any one of the prescribed proof of identity mentioned below (in original), failing which all the passengers booked on that ticket are considered as travelling without ticket and charged accordingly:-
 - i. Voter Photo Identity Card issued by Election Commission of India.
 - ii. Passport
 - iii. PAN Card issued by Income Tax Department
 - iv. Driving Licence issued by RTO
 - v. Photo Identity Card issued by Central /State Government
 - vi. Student Identity Card with photograph issued by recognized School/ College for their students
 - vii. Nationalised Bank Passbook with photograph and
 - viii. Credit Cards issued by Banks with laminated photograph.
 - ix. Unique Identification Card "Aadhar".
 - x. Photo identity cards having serial number issued by Public Sector Undertakings of State/Central Government, District Administrations, Municipal bodies and Panchayat Administrations.
- g. Keeping in view the short Advance Reservation Period and with a view to make this scheme economically unviable for unscrupulous elements/touts, refund rules of the scheme have been made stringent in which no refund is granted on the confirmed Tatkal tickets. However, full refund of fare and Tatkal charges is granted on the tickets booked under Tatkal scheme under certain circumstances like non-attachment of coach, cancellation of train, as explained below:-
 - i. If the train is delayed by more than 3 hours at the journey originating point of the passenger & not the boarding point if the passenger's journey originating point and boarding point are different.
 - ii. If the train is to run on a diverted route and passenger is not willing to travel.
 - iii. If the train is to run on diverted route and boarding station or the destination or both the stations are not on the diverted route.
 - iv. In case of non attachment of coach in which Tatkal accommodation has been earmarked and the passenger has not been provided accommodation in the same class.
 - v. If the party has been accommodated in lower class and does not want to travel. In case the party travels in lower class, the passenger will be given refund of difference of fare and also the difference of Tatkal charges, if any.
- h. Tatkal charges have been fixed as a percentage of fare at the rate of 10% of basic fare for second class and 30% of basic fare for all other classes subject to minimum and maximum as given in the table below:-

Class of Travel	Minimum Tatkal Charges (in `)	Maximum Tatkal Charges (in `)	Minimum Distance for charge (in Km)
Reserved Second Sitting (2S)	10	15	100
Sleeper	100	200	500
AC Chair Car	125	225	250
AC-3 tier	300	400	500
AC-2 tier	400	500	500
Executive	400	500	250

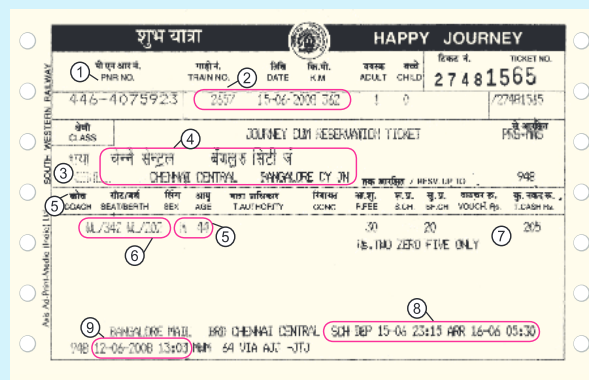

Note:

- In case the total run of the train is less than the distance restriction, end fare i.e. from originating to destination station shall be charged.
 - There will be no such restriction for Tatkal scheme in passenger trains.
- i. Tatkal tickets are issued subject to the applicable distance restrictions.
- j. All authorised ticketing agents of Indian Railways/IRCTC have been restricted from booking Tatkal tickets at the counters between 1000 hours and 1030 hours for tickets in AC classes and between 1100 hours and 1130 hours for non-AC classes.
- k. It is possible to book a maximum of only four passengers per PNR for Tatkal tickets.
- l. The web services agents of IRCTC have been permitted to book only one Tatkal ticket per train per day on the internet.
- m. Powers for earmarking of Tatkal accommodation in different classes have been delegated to Zonal Railways who take a decision in this regard keeping in view the utilization pattern in that class during the previous financial year as well as availability of accommodation. The accommodation so earmarked, however, in no case exceed upto maximum of 30% of capacity of coach depending on the utilization of this quota during the last 6 month period.
- n. Out of the total berth potential of around 13.49 lakhs berths/seats per day, on an average, around 2.52 lakh seats/berths are available for booking under Tatkal / Premium Tatkal every day i.e. approximately 18.70% of the total accommodation.
- o. Instructions have also been issued to zonal Railways to introduce Tatkal scheme in the passenger trains in that train/class in which average utilisation during the previous financial year has been more than 60%. The minimum Tatkal charges prescribed for different classes will be applicable as per Tatkal charges. All other conditions applicable to normal Tatkal scheme will be applicable in case of identified passenger trains.

The Up-gradation Scheme

- With a view to optimise the utilisation of available accommodation in train, a scheme to upgrade full-fare paying passengers to the higher class without any extra charge against the available vacant accommodation is available in almost Mail/Express trains.
- The passengers are required to give the option for being considered for upgradation. If no option is given at the time of filling up of requisition form, the same is treated as "yes" and passenger(s) can be considered for upgradation.
- The passengers for upgradation are selected automatically (except in cases where the passenger has shown his unwillingness to be upgraded) on random basis by the System at the time of preparation of reservation charts.
- All the passengers on a ticket are upgraded together.
- It is not done for block booking transactions.
- If a passenger, who has been upgraded, cancels his ticket, cancellation charges of the original class only are payable. It is advisable to avail the facility (by exercising the option in the affirmative) and always to check the status (coach/ berth numbers) before boarding the train.

Tatkal Scheme

With a view to provide reservation to those passengers who have to undertake journey at short notice and to save such passengers from the clutches of unscrupulous elements/touts, Tatkal Reservation Scheme was initially introduced in December, 1997. Initially this scheme was available only in around 110 trains and mainly in Sleeper Class. At that time an extra coach was to be attached for this purpose. This scheme was thoroughly revised in August 2004 and some modifications were made from time to time. The salient features of this scheme as on date are as under:-

- a. Tatkal booking for AC classes opens at 1000 hours on the previous day of journey excluding date of journey from the train originating station. For non-AC classes, Tatkal booking starts at 1100 hours on the previous day of journey excluding date of journey from the train originating station. For example, if train is to depart from the originating station on the second of the month, the Tatkal quota for that particular train shall open at 1000/1100 hours on the first of the month.
- b. The reservation under this scheme is available only upto the time of preparation of charts. At the time of preparation of charts, the vacant Tatkal accommodation is released to the RAC/waitlisted

passengers and no Tatkal charges are realised from such passengers.

- c. The facility of change of name is not permitted on the bookings made under Tatkal scheme.
- d. No duplicate Tatkal tickets are issued. Duplicate Tatkal tickets are issued only in exceptional cases on payment of full fare including Tatkal charges.
- e. The reservation under this scheme can be sought by full fare paying passengers only and no passenger holding concessional ticket is allowed to avail reservation under this scheme.
- f. In case of tickets booked under Tatkal scheme, during the journey, one of the passengers booked on that ticket is required to produce any one of the prescribed proof of identity mentioned below (in original), failing which all the passengers booked on that ticket are considered as travelling without ticket and charged accordingly:-
 - i. Voter Photo Identity Card issued by Election Commission of India.
 - ii. Passport
 - iii. PAN Card issued by Income Tax Department
 - iv. Driving Licence issued by RTO
 - v. Photo Identity Card issued by Central /State Government
 - vi. Student Identity Card with photograph issued by recognized School/ College for their students
 - vii. Nationalised Bank Passbook with photograph and
 - viii. Credit Cards issued by Banks with laminated photograph.
 - ix. Unique Identification Card "Aadhar".
 - x. Photo identity cards having serial number issued by Public Sector Undertakings of State/Central Government, District Administrations, Municipal bodies and Panchayat Administrations.
- g. Keeping in view the short Advance Reservation Period and with a view to make this scheme economically unviable for unscrupulous elements/touts, refund rules of the scheme have been made stringent in which no refund is granted on the confirmed Tatkal tickets. However, full refund of fare and Tatkal charges is granted on the tickets booked under Tatkal scheme under certain circumstances like non-attachment of coach, cancellation of train, as explained below:-
 - i. If the train is delayed by more than 3 hours at the journey originating point of the passenger & not the boarding point if the passenger's journey originating point and boarding point are different.
 - ii. If the train is to run on a diverted route and passenger is not willing to travel.
 - iii. If the train is to run on diverted route and boarding station or the destination or both the stations are not on the diverted route.
 - iv. In case of non attachment of coach in which Tatkal accommodation has been earmarked and the passenger has not been provided accommodation in the same class.
 - v. If the party has been accommodated in lower class and does not want to travel. In case the party travels in lower class, the passenger will be given refund of difference of fare and also the difference of Tatkal charges, if any.
- h. Tatkal charges have been fixed as a percentage of fare at the rate of 10% of basic fare for second class and 30% of basic fare for all other classes subject to minimum and maximum as given in the table below:-

Class of Travel	Minimum Tatkal Charges (in `)	Maximum Tatkal Charges (in `)	Minimum Distance for charge (in Km)
Reserved Second Sitting (2S)	10	15	100
Sleeper	100	200	500
AC Chair Car	125	225	250
AC-3 tier	300	400	500
AC-2 tier	400	500	500
Executive	400	500	250

Note:

1. In case the total run of the train is less than the distance restriction, end fare i.e. from originating to destination station shall be charged.
 2. There will be no such restriction for Tatkal scheme in passenger trains.
- i. Tatkal tickets are issued subject to the applicable distance restrictions.
- j. All authorised ticketing agents of Indian Railways/IRCTC have been restricted from booking Tatkal tickets at the counters between 1000 hours and 1030 hours for tickets in AC classes and between 1100 hours and 1130 hours for non-AC classes.
- k. It is possible to book a maximum of only four passengers per PNR for Tatkal tickets.
- l. The web services agents of IRCTC have been permitted to book only one Tatkal ticket per train per day on the internet.
- m. Powers for earmarking of Tatkal accommodation in different classes have been delegated to Zonal Railways who take a decision in this regard keeping in view the utilization pattern in that class during the previous financial year as well as availability of accommodation. The accommodation so earmarked, however, in no case exceed upto maximum of 30% of capacity of coach depending on the utilization of this quota during the last 6 month period.
- n. Out of the total berth potential of around 13.49 lakhs berths/seats per day, on an average, around 2.52 lakh seats/berths are available for booking under Tatkal / Premium Tatkal every day i.e. approximately 18.70% of the total accommodation.
- o. Instructions have also been issued to zonal Railways to introduce Tatkal scheme in the passenger trains in that train/class in which average utilisation during the previous financial year has been more than 60%. The minimum Tatkal charges prescribed for different classes will be applicable as that Tatkal charges. All other conditions applicable to normal Tatkal scheme will be applicable in case of identified passenger trains.

The Up-gradation Scheme

- ☑ With a view to optimise the utilisation of available accommodation in train, a scheme to upgrade full-fare paying passengers to the higher class without any extra charge against the available vacant accommodation is available in almost Mail/Express trains.
- ☑ The passengers are required to give the option for being considered for upgradation. If no option is given at the time of filling up of requisition form, the same is treated as "yes" and passenger(s) can be considered for upgradation.
- ☑ The passengers for upgradation are selected automatically (except in cases where the passenger has shown his unwillingness to be upgraded) on random basis by the System at the time of preparation of reservation charts.
- ☑ All the passengers on a ticket are upgraded together.
- ☑ It is not done for block booking transactions.
- ☑ If a passenger, who has been upgraded, cancels his ticket, cancellation charges of the original class only are payable. It is advisable to avail the facility (by exercising the option in the affirmative) and always to check the status (coach/ berth numbers) before boarding the train.

Circular Journey Tickets. Reserving special carriages. Booking a train... Let's help you out.

What are Circular Journey Tickets ?

If you wish to go on a pilgrimage or sightseeing trip to many destinations, Indian Railways provide the facility of booking Circular Journey Tickets. These tickets offer you unique travel flexibility, as they are issued for all journeys (other than regular routes) which begin and end at the same station. Circular Journey Tickets can be purchased for all classes of travel. A maximum of **eight** break of journeys will be admissible on these tickets. Endorsements for break journeys are not needed.

Standard Circular Journey Tickets are also offered by Zonal Railways. These cover popular destinations for the convenience of tourists. Circular Journey Tickets give you the benefit of **telescopic rates**, which are considerably lower than regular point-to-point fare. These rates are calculated on Mail/Express Fares.

What are the prescribed limits for refund?

1. In case of confirmed reserved tickets, upto 4 hours before the scheduled departure of the train irrespective of distance. No refund will be granted after that.

3. For trains departing between 21.00 hours and 06.00 hours (actual departure), you can get a refund within two hours of opening of the Reservation Office, in case no current counters are available at the originating station.

Suppose I am unable to get refund within the prescribed time limit.

- (1) For refund of fare under circumstances other than those specified in these rules or under circumstances like 'bandh' or agitations or floods, etc., the passengers could not reach the reservation counter or station or current counters for cancellation of tickets, in those cases, a TDR shall be issued to the passenger and the passenger may apply for refund of fare within ten days from the day of commencement of journey to the Chief Commercial Manager (Refunds) of the railway administration under whose jurisdiction the TDR issuing station comes, enclosing the original TDR.
- (2) The TDR shall be issued only upto three days after the scheduled departure of the train.

Suppose I am unable to approach the concerned authorities, what do I do?

In exceptional circumstances you may obtain a Ticket Deposit Receipt (TDR) from the nearest major station within 3 (Three) days from the day of scheduled travel. You must then submit an application in the prescribed form (Printed on the back of TDR) to the Chief Commercial Manager (Refunds) of the Zonal Railway to which the Ticket Deposit Receipt-issuing station belongs.

This application must be submitted within 10 (Ten) days from the date of your journey. The refund officer will examine the case on merit and, if decided, refund will be sent to you by a Station Pay Order (to be encashed at station) or Money Order or Crossed Cheque.

Will the entire amount be refunded or will I lose some money?

The fare you paid for your ticket will be refunded after deducting cancellation charges in case of confirmed ticket and clerkage Charge in case of RAC/WL/Unreserved Tickets, If the ticket is surrendered within the prescribed time limit as per refund rules.

Policing on the Railways is the statutory responsibility of States which is discharged through the Government Railway Police (GRP), which functions in respective States for registration of cases, their investigation and maintenance of law & order within railway premises

as well as running trains. 50% of the expenditure on GRPs is shared by the Railways with respective States.

Upgradation of security infrastructure has been identified as one of the priority areas by Railways to supplement efforts of States for better security of passengers. Implementation of Integrated Security System, networking of RPF Posts and Security Control Rooms, setting up of Security Helpline, filling up of vacancies etc. are some of the important steps taken in the recent past for strengthening of railway security.

Measures initiated by RPF for security of passengers and passenger area include escorting of trains including ladies compartments of suburban trains, access control at important railway stations, vigil on station platforms, yards and circulating areas against antisocial elements, surveillance through CCTV cameras, detection of passenger related crime and arrest of criminals who are handed over to GRP for further legal action. The Railway officials such as Guard, TTE, RPF/ GRP Escort have been provided with complaint forms to enable the passengers to lodge a complaint regarding loss/theft of luggage etc. without breaking their journey.

The RPF has been at the forefront of rescue of children found lost/ abandoned/abused/trafficked/destitute/addicted to drugs, etc from railway premises and trains. During the year 2015, 7044 children were rescued due to the efforts of RPF personnel.
