Grievance Description : Dear Sir, Rajkot Secunderabad Triweekly Express runs jam packed throughout the year. It is a pending demand of Gujarat to increase the frequency of this train. It shares time slot with many different trains from Surendranagar to Wadi. Therefore, it is urged that a new time slot may be created for this train. It is proposed from my side that the train should leave Rajkot early by half an hour or 45 minutes. This will also pave the way for the increase in frequency of Rajkot Coimbatore Express.
