

## CRS- ORGANISATION & JURISDICTION

### 1. ORGANISATIONAL STRUCTURE OF CRS

The Commission is headed by a **CCRS** (Chief Commissioner of Railway Safety), at **Lucknow**, who acts as the **Principal Technical Advisor** to the Central Government in all matters with which the Commission is concerned. Working under the administrative control of CCRS are **nine CRS** (Commissioners of Railway Safety), exercising jurisdiction over the Zonal Railways. In addition, some of them have additional jurisdiction over railway establishments other than Zonal Railways viz (i) Metro Railway, Kolkata, (ii) DMRC, Delhi, and (iii) Konkan Railway. There are **five Dy.CRS** (Deputy Commissioners of Railway Safety) posted in the Headquarters at Lucknow for assisting the CCRS. In addition, there are **two field Deputy Commissioners**, one each in Mumbai and Kolkata, to assist the Commissioners of Railway Safety in matters concerning the signalling and telecommunication discipline.
