Barmer MP ne Malani ke name se Janta ko bewkoof bana diya... Na toh Train ki timing Malani se match hui na hi train Daily Mili

Piyush goyal hote toh malani ko restore kr skte thae woh sunte neta ki. But as i said earlier before ashwini vaishnav works differently and never listens to netagiri.
NR don't want malani/runicha to be maintained or get lied over at delhi. NW kuch ni krskta isme.

That can only b resolved if bme ju passenger/ intercity runs on same timings of malani....ju division kar skta hai ye kaam aram se, but usko maintenance ni krni isliye woh ni krega.....jabtK RB k upr se pressure ni aajata

Lets c kuch ho...after new pit line inaguration at bgkt...fir maintainace ka lafda nhi hoga itna. Abhi toh maintainace mei dikkatei hai tabhi day wali intercities mei bhi SL 3AC 2AC lga kar RSA kr kam chala rhe jodhpur division.
