

Detailed Demand Grants of Adra division

TT Line

Route Overview:

Talgaria – Bokaro North Cabin is a single freight only operational line of **32 kms**. There are three crossing stations i.e., Bandidih, Chas and Ispat Nagar having passenger projection. Doubling of this line is scheduled to complete by Dec, 2021. Post completion, CRS approval will be called in for passenger service clearance. Route is expected to retain **110 kmph** maximum permissible speed between TLE-IPTN post inspection. Non-MBR average of Passenger service end to end will be **80 kmph**. Distance will reduce by **5 kms**. Journey time will eventually take **70 mins** lesser than existing route due to zonal singularity.
