Sub : Review of Cost of Housekeeping of trains and stations

Vide Ministry of Railways' letter No.2018/EnHM/13/01 dated 29.06.2020, Railways have been advised to review the cost of cleanliness of trains and stations.

2. With the outbreak of Covid-19 pandemic, only few trains are presently running. Such situation with reduced operations of passenger carrying trains is likely to continue for some time.
3. All possible measures should be taken for reduction/control of expenditure on housekeeping of trains and stations in the current financial year. Railways should critically review contracts and operate at appropriate level as per requirement.
4. Contracts may be reviewed in terms of contract conditions considering the contractual, financial and legal issues safeguarding the interest of Railway.
5. Similar review may also be carried out for other service contracts.
6. This issues with the approval of Board.
