Indian Railways have planned to offer 'A-1' & 'A' category stations (about 400 in number) for redevelopment on 'as is where is basis' by inviting open bids from interested parties. Station redevelopment projects require close coordination with the State Government/local bodies in order to get necessary clearances such as mutation of land, change of land use, heritage clearance (if required), NOCs from local bodies etc. Hon'ble Minister of Railways has written letters to Chief Ministers of all States requesting them to nominate coordinating officer in their respective States to facilitate these clearances. A few State Governments have nominated coordinating officers in this regard.

Station redevelopment projects are complex in nature and require detailed techno-economic feasibility studies and statutory clearances from local bodies. Therefore, no time frame can be indicated, at this stage.

This Press Release based on information given by the Minister of State for Railways Shri Manoj Sinha in a written reply to a question in Rajya Sabha on 29.04.2016 (Friday).
